SIR,

With reference to your docket No. 6382/1559 dated 22nd October 1894 forwarding copy of letter No. 3477/322-94 dated 4 October 94 from the First Assistant Resident in Mysore, stating under instructions from the Government of India, that the Durbar should avail themselves of the ordinary opportunities of Commerce to return the Portuguese Coins that have been received by the Treasuries of Mysore prior to the issue of the Notification of the Government of India Accounts and Finance No. 2923 dated 8th July 1893 declaring these coins not legal tender in British India, I have the honor to report that Portuguese Coins, Silver and Copper aggregating Rs. 6071-12-3 are now held in the State Hoggar Treasury as on current. The Secretary and Treasurer Bank of Madras, in reply to an enquiry made by me, replied that

that he may be able to dispose of these coins at 12 as. 6 Bs. per tola weight, but that there is no demand at Madras for silver bullion and that the Commissioner of Paper Currency declines to receive them on any terms

The officer in charge of the State Agency Treasury intimated the receipt of an offer to purchase the Portuguese silver coins at the rate of 12 am. 9 Bs. per Rupee, myself another offer at 13 annas the Rupee.

I am not inclined to accept any of the above tenders and think that better rates may be obtained if tenders are invited for the purchase of the Portuguese coins. I have therefore to request that you will be so good as to obtain the orders of Government in the matter.

I have the honor &c
